# ... AUTHENTIC KOREAN FOOD

## BIBIM

Modern, vibrant, clear lines, bright colours and open space. The bold functional elements in deep saturated colours create a stark beauty balanced by relaxing neutral tones in floors, walls and furniture. Touched with the warmth of natural wood, this area extends an invitation to sit and enjoy lunch in a balanced ambience.

# ... ELEGANT 19<sup>TH</sup> CENTURY VILLA

VILLA ENGEL

Elegance is embodied in the flowing tones of white, warmed by clear lines of muted colour. Linear clarity is softened by touches of period turned woodwork which serve to frame the understated functionality of this beautiful villa. Predominately natural light and modern furnishings effortlessly harmonise the 19th and 21st centuries.

# ... COSY CITY OFFICE

## HEITMAN

The soft-lit ambience at reception leads to areas of natural light with a predominance of natural materials. Uncluttered functional work space is partnered with comfortable open meeting rooms and well-defined individual offices offering a warm working atmosphere. An environment of harmony and efficiency.

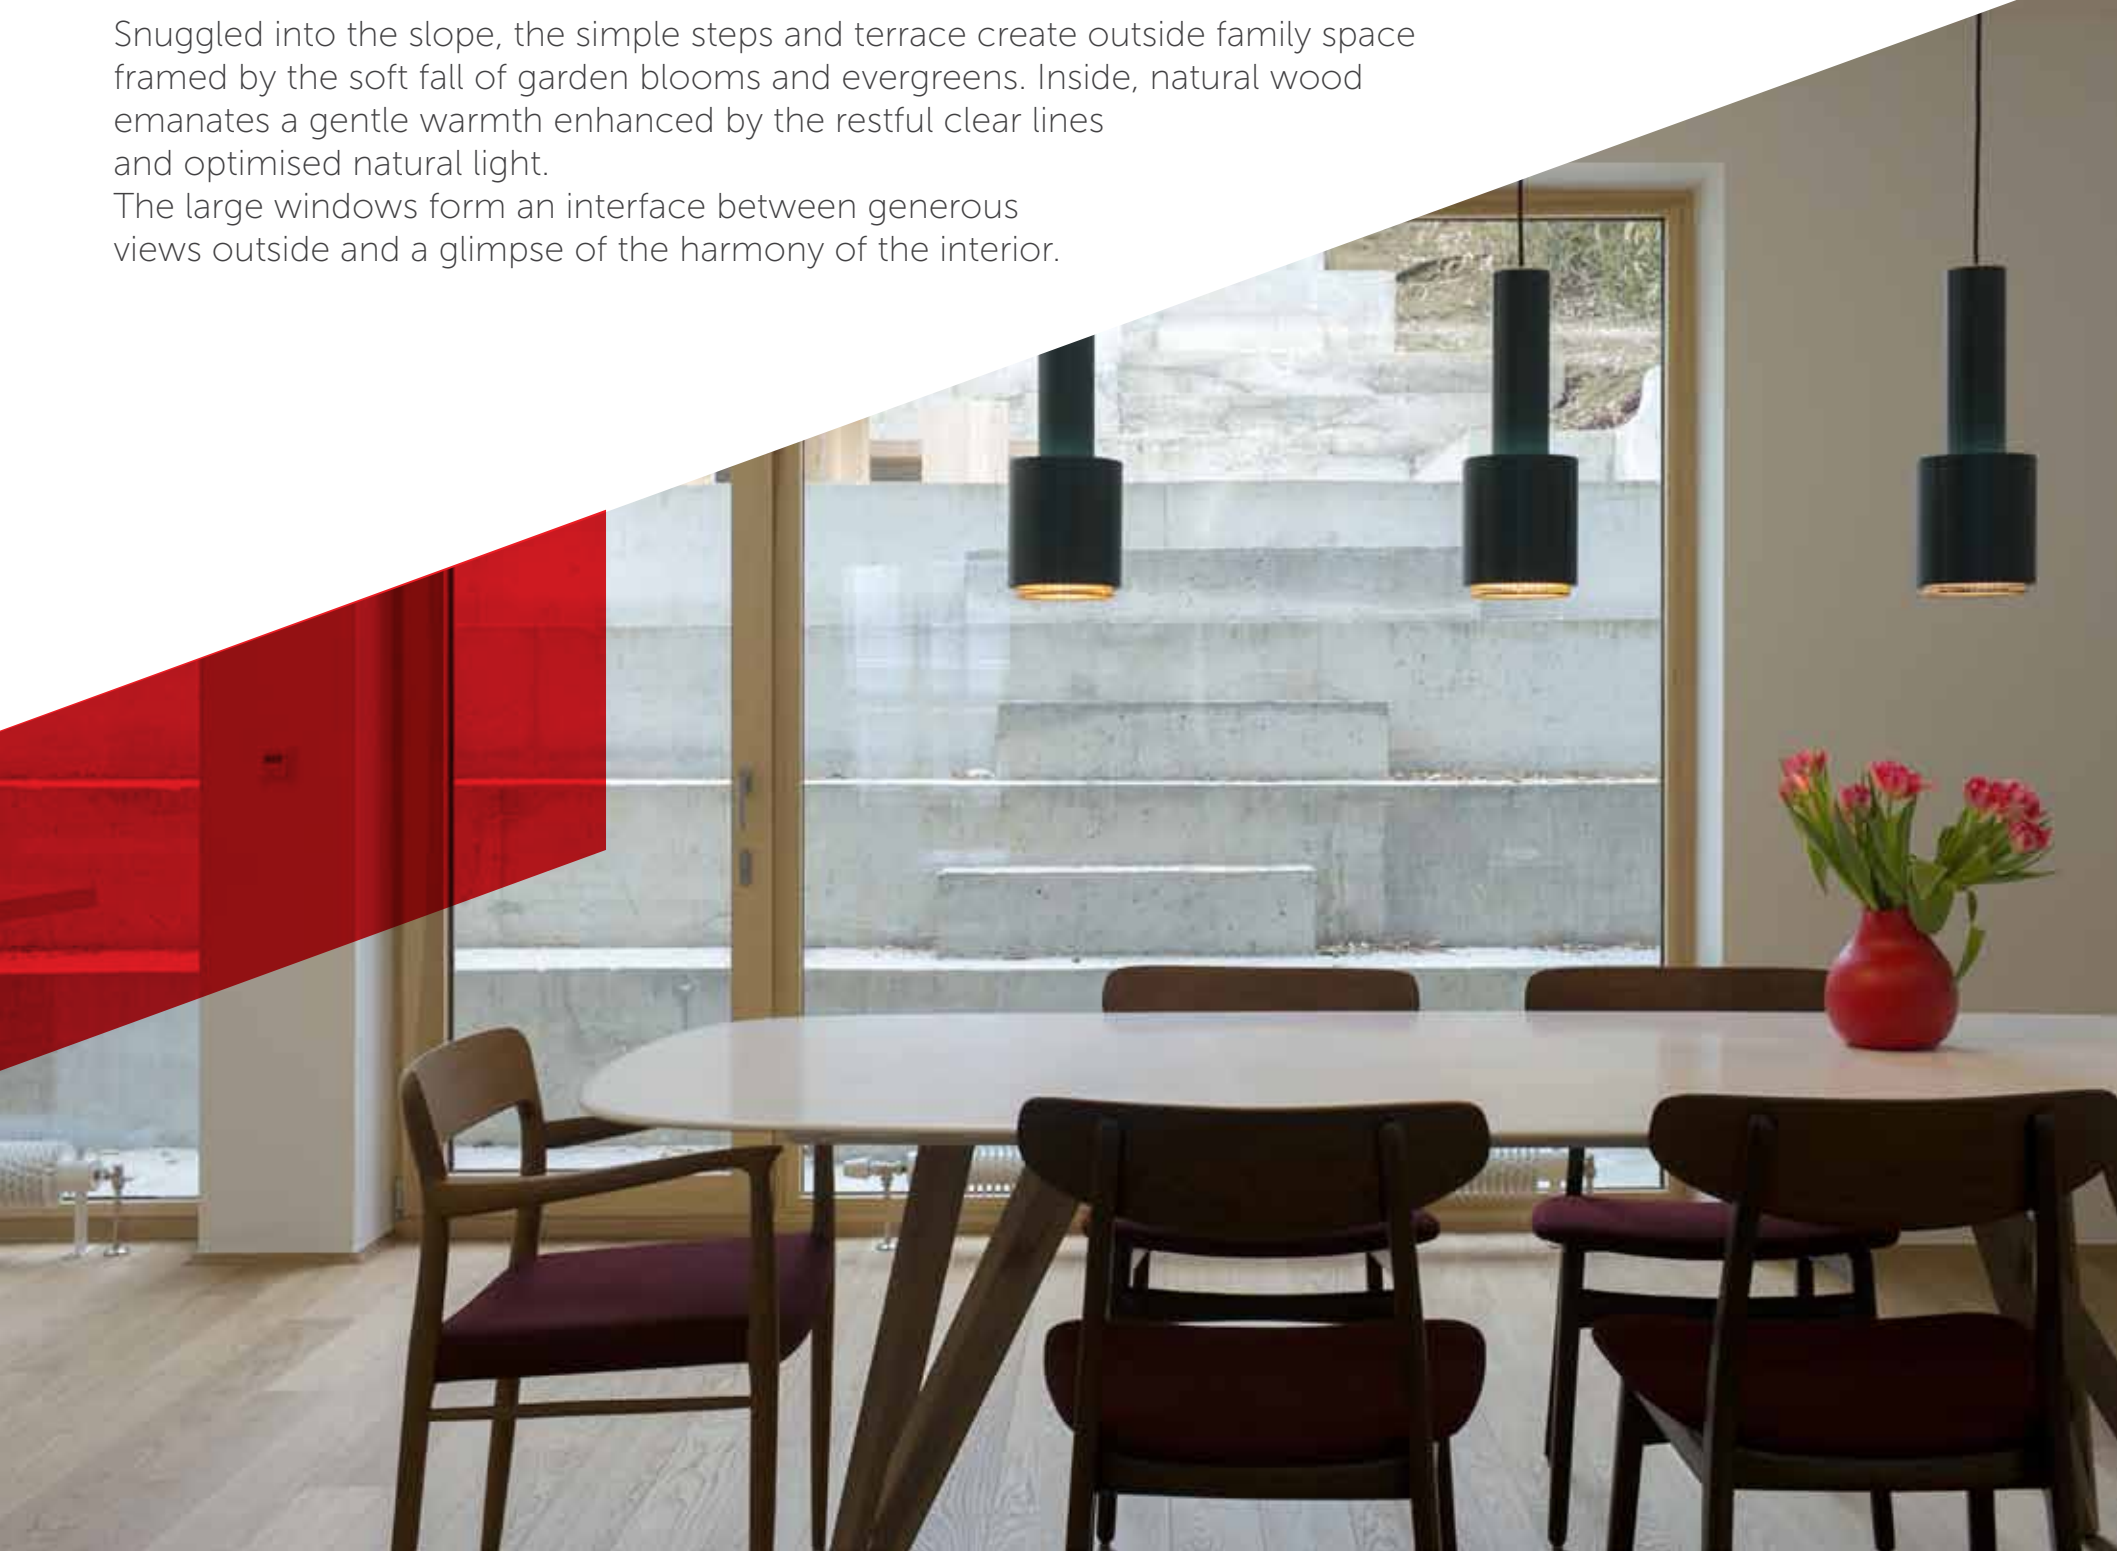

# ... PROMISING CITY DWELLING

## K68

Snuggled into the slope, the simple steps and terrace create outside family space framed by the soft fall of garden blooms and evergreens. Inside, natural wood emanates a gentle warmth enhanced by the restful clear lines and optimised natural light. The large windows form an interface between generous views outside and a glimpse of the harmony of the interior.

# ...PERFECT FAMILY HOUSE

**CLAIRE & GILDAS**

Fitting elegantly and unobtrusively into its natural surroundings, this green sentinel also stands out through its clean, unfussy lines. Open space is maximised with a wide, generous balcony and a terrace which connects inside with outside and flows into the greenery of the garden. The beauty created by form, colour and setting brings a natural sense of well-being to this home.

# ... MOTIVATIONAL OFFICESPACE

## VERKEIERSVERBOND

The comfort of light and air coupled with functional, clearly delineated space to work and to confer with colleagues, all combine to generate a supportive work climate. Colours blend and contrast to stimulate and synergise, creating an overall sense of positive office living.

# ... DYNAMIC PUBLIC INFORMATION DESK

## INFOBOX & AVL

Looking for “a ticket to ride”? Or information about city road works?  
It's here in this clear, functional, bright space – either from counter staff,  
or via the brochures which reflect the striking colour tones  
of the office background. With elegantly simple lines  
and clarity of purpose, INFOBOX invites you in.

# ... USERFRIENDLY RETAIL BANK

**BCEE / AUCHAN BRANCH**

Light, bright, accessible. The easy-access design and welcoming open environment make this bank customer-friendly. The beauty of the orderly simplicity and clear shapes, along with the vibrant islands of red, synergise to create a functional harmony.

# ...CREATIVE OFFICE@HOME

EGB DESIGN STUDIO

Ordered space engenders clarity of thought. Well-defined lines form shape and direction.  
A harmonious combination of selected colours, light, and natural materials together  
develop the beauty of order and functionality; thriving on an atmosphere of  
harmony and well-being. These, as a whole, lead to greater productivity.
